"Navigating Recent Changes in Child Abuse Legislation: How Practitioners Can Better Support Vulnerable Children and Families"

Presenter

Diane Kaulen, CCLS; Casey E Weary, RN; Christopher S Greeley, MD

Nursing Outcome Statement:

- 1 Discuss the Texas Family Code and the roles and responsibilities of all organizational staff.
- 1 Summarize recent legislative changes to the Texas Family Code and how these changes impacts organizational staff's current work with children and families.
- 3 Outline processes that have been created to support the organization when working with suspected abuse or maltreatment cases.
- 4 Identify resources that are available to families.

Nursing Outcome Statement:

At the conclusion of the session, 80% of learners who attend this activity will identify one concept learned and report increase knowledge related to the learning objectives specific for each lecture.

Target Audience:

Physicians, Fellows, Residents and other healthcare providers
